EMPLOYMENT

Senior Designer

Hitwise: 2006-present

My Responsibilities encompass all of the Hitwise's printed & web-based design material for Hitwise (Australia, US, UK, New Zealand, Singapore & Hong Kong). My role also requires me to manage the associated visual branding of the company.

Principal/Creative Designer

Ticketmaster: 2002-2006

Responsible for the design of all Graphic Design (Web & Print) for Ticketmaster (Australia & New Zealand).

Senior Interface/Graphic Designer

D'Arcy Interactive: 2001

Responsibilities included maintaining existing websites and developing various commercial brands on the internet.

Principal Graphic Designer

IPN: 2001

My position at IPN requires me to design & maintain the current online presence and printed corporate identity.

Interface/Graphic Designer

IconMedialab: 2000 - 2001

My role at Icon Medialab is as one of the Principle Designers responsible for Art Directing and Designing Interfaces for various online and offline media.

Web Designer

Fluid Interactive: 1998 - 2000

As a Web Designer at Fluid Interactive, I was responsible for the Design and Development of various high-profile websites

Principal Graphic Designer

Red Horse Media: 1997 - 1998

My role at Icon Red Horse Media was as a Principle Designer. My responsibilities included Web Design, as well as Print Design.

Principal Web Designer

Ocean Internet: 1997 - 1998

As the Senior Designer for Ocean Internet, I was directly responsible for Designing and Directing all the Web-based and traditional design for the company.
